EDUCATION

B.TECH(AI&DS)	Sri Eshwar College of Engineering	CGPA : 7.74%(upto 3rd Sem)	2024-2028
HSC	Srv Boys School	82.6%	2021-2023
SSLC	Our Lady Of Velankanni School	100%	2020-2021

INTERNSHIP

MERN Intern	Better Tomorrow Institute	DEC 2025
-------------	---------------------------	----------

PROJECTS

ACCESS360 AI-POWERED INCLUSIVE CRISIS RESPONSE [Link](#) MAR 2026

Developed an AI-driven accessibility and crisis resilience platform featuring real-time geo-spatial SOS reporting and adaptive AI assistance for neurodiverse campus communities. Built with Next.js, Tailwind CSS, and Groq SDK, it provides automated content simplification, real-time crisis mapping, and data-driven safety analytics to enhance student wellbeing and streamline emergency interventions.

DISASTER PREPAREDNESS - COMMUNITY HEALTH INVENTORY [Link](#) FEB 2026

Developed an AI-powered disaster and public health platform with real-time risk prediction, outbreak detection, and a multilingual LLM assistant to improve emergency response and community resilience.

KPI LAPTOP MONITORING SYSTEM [Link](#) MAY 2025

Designed and implemented a KPI-based laptop monitoring solution to track critical system performance metrics such as CPU usage, memory, disk health, and security compliance, enabling proactive IT management and system optimization

CODING PROFILES

Skillrack : Solved 720+ problems | [Saaiprasath S](#)

Leetcode :Solved 100+ problems | Contest Rating : 1458| [SaaiprasathS](#)

Hackerrank : 1 Star C | [Saaiprasath S](#)

CERTIFICATIONS

Design Thinking - A Primer	NPTEL(80% Elite + Silver Badge)	APR 2026
Java Programming	Oracle	OCT 2025
MatLAB OnRamp	MathWorks	APR 2025
Mastering Data Structures & Algorithms using C and C++	Udemy	APR 2025
C Training	Spoken Tutorial Project, IIT Bombay	DEC 2024
CPP Training	Spoken Tutorial Project, IIT Bombay	DEC 2024
C for Beginners	Great Learning	DEC 2024

ACHIEVEMENTS

First prize in Mini Project Expo 2026	APR 2026
Finalist in Technovation,Kurukshetra,organised by Anna University,Guindy	MAR 2026
Top 10 finalist in Hackverse hackathon	MAR 2026
Incepto national-level hackathon (Top 10)	FEB 2026
Statistella: Data Analytics Competition (Top 10)	JAN 2026
Third prize in Freshathon 2025	MAY 2025
Finalist in SelfE hackathon(among 115+ teams)	NOV 2024

SKILLS

Languages	: C C++ Python Java
Core concepts	: Object-Oriented Programming (OOP) Data Structures & Algorithms (DSA)
Web Technologies	: HTML CSS JavaScript(Beginner) MERN Stack (MongoDB, Express.js, React.js, Node.js)
Data Science & Analysis Libraries	: Pandas NumPy Data Cleaning Data Analysis
Tools	: Canva Figma VS Code Excel PowerPoint Jupyter Notebook GitHub
